

It's that time of year to reflect on the past year and to give thanks for all our blessings!

Based on the high level of our clients' 2011 hiring activity, we see many positive signs that companies are strong and growing again. We are grateful to all . . . clients, alliance partners, vendors, and friends who have continued to support our mission!

2011 Highlights:

- Launched SalesScore, a program targeted to companies that hire sales professionals. www.salescore.com
- August 2011 was a record sales month in our 12-year history. Thanks Safari Team for sacrificing your summer fun to help our clients!
- Hired two new associates, Jennifer Lewellen, Business Development Manager, and Caryn Craig, Project Coordinator.

We wish you all a wonderful holiday season and a prosperous 2012!

The Safari Team!
